FREE VCC WORKPLACE SKILLS COURSE FOR NEWCOMERS

Workplace Skills for Success Course

COURSE INFORMATION - 12 weeks total

1. Three online training modules that cover:
   - Communication, adaptability and collaboration in the Canadian workplace
   - Actions and behaviours that demonstrate these three skills
   - Strategies to communication, adapt, and collaborate effectively in the Canadian workplace

   Students study online at their own pace and on their own time. Some students may finish the online modules in less than 60 hours.

   These modules have been tested across Canada and were reviewed by employers. Students will learn the skills that employers want when hiring new employees.

2. Ten weekly online sessions led by a VCC Instructor
   - Practice skills learned in the online modules
   - Share learning with other participants
   - Gain additional information about getting work in Canada

ELIGIBILITY

Participants in this course are required to be:

- A newcomer to Canada. A newcomer is defined as a citizen, refugee, or permanent resident who has been living in Canada for less than 5 years. Those who have received an invitation for permanent residency but have not arrive in Canada yet are eligible to participate.
- At least 18 years old
- Legally entitled to work and study in Canada

Participants in this course are recommended to have:

- CLB of at least 6+
- Minimum high school education or equivalent (any country)
- Access to a computer or laptop and reliable internet
- Some relevant work experience, in any industry, either international or Canadian
- Basic digital skills (independently navigate the learning platform)
